### Kyocera Mita – Bay Partnership

Kyocera Mita, the expert in high quality wide format output products and Bay, the expert in professional wide format folding and finishing systems, have become partners since the launch of Kyocera Mita's KM-4800w series - providing the best wide format solutions. A variety of reliable and productive finishing systems for the KM-4800w series are designed and tested by Bay, in close collaboration with Kyocera Mita. The products are manufactured in Bay's

factory in Switzerland, and are widely available through Kyocera Mita.

Bay agrees with Kyocera Mita's basic product concept, "The lowest TCO" (total cost of ownership) and provides cost-effective and productive systems to lower, together with Kyocera Mita products, the customer's total cost of wide format operations.

Bay guarantees the best possible support for Kyocera Mita's customers and partners.
